

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Agriculture and Forest Products to which was referred  
3 House Bill No. 539 entitled “An act relating to establishment of a Pollinator  
4 Protection Committee” respectfully reports that it has considered the same and  
5 recommends that the bill be amended by striking out all after the enacting  
6 clause and inserting in lieu thereof the following:

7 Sec. 1. POLLINATOR PROTECTION COMMITTEE; REPORT

8 (a) Definition. As used in this section, “pollinator” means bees, birds, bats,  
9 and other insects or wildlife that pollinate flowering plants.

10 (b) Creation. There is created a Pollinator Protection Committee to:

11 (1) evaluate the causes and occurrences of reduced pollinator  
12 populations in the State; and

13 (2) recommend measures the State can adopt to conserve and protect  
14 pollinator populations.

15 (c) Membership. The Pollinator Protection Committee shall be composed  
16 of the following ten members:

17 (1) the Secretary of Agriculture, Food and Markets or designee;

18 (2) a person who is a beekeeper, appointed by the Governor;

19 (3) a dairy farmer, appointed by the Governor;

20 (4) a person representing a not-for-profit organization advocating the  
21 protection of pollinators, appointed by the Governor;

22 (5) a person who is a beekeeper, appointed by the Speaker of the House;

1           (6) a person who is a university employee with expertise in the  
2 protection of pollinators, appointed by the Speaker of the House;

3           (7) a tree fruit farmer, appointed by the Speaker of the House;

4           (8) a vegetable farmer, appointed by the Committee on Committees;

5           (9) a person licensed or certified to sell or apply pesticides, herbicides,  
6 or other economic poisons in the State, appointed by the Committee on  
7 Committees; and

8           (10) a person who owns or operates a greenhouse or plant nursery,  
9 appointed by the Committee on Committees.

10          (d) Powers and duties. The Pollinator Protection Committee shall:

11           (1) Evaluate the status in Vermont of the U.S. Department of  
12 Agriculture’s five pillars of pollinator health. The five pillars of pollinator  
13 health are: pollinator biology; nutrition and habitat; pathogens and pests;  
14 pesticide use; and genetics and breeding.

15           (2) Evaluate the effectiveness of pesticide applicator licensing and other  
16 pesticide requirements in the State in protecting pollinator health.

17           (3) Evaluate other state or international pesticide regulations that are  
18 more protective of pollinator health than the pesticide regulations of Vermont  
19 or the U.S. Environmental Protection Agency.

20           (4) Study available education and outreach plans from other states that  
21 have been successful in increasing public awareness of pollinator health issues.

1           (5) Evaluate best management practices for application of neonicotinoid  
2           pesticides in a manner that avoids harm to pollinators.

3           (6) Identify possible sources of funds for use in the protection of  
4           pollinator health.

5           (7) Consider the requirements in 2015 Vt. Acts and Resolves No. 64  
6           (State Clean Water Act) regarding buffers along State waters and whether and  
7           how areas in buffers or other areas that require perennial vegetation should be  
8           encouraged for use as pollinator forage zones or pollinator growing areas.

9           (8) Develop a State pollinator protection plan using the framework and  
10           critical elements from the Association of American Pesticide Control Officials  
11           Pollinator Protection Plan guidance.

12           (e) Assistance. The Pollinator Protection Committee shall have the  
13           administrative, technical, and legal assistance of the Agency of Agriculture,  
14           Food and Markets. Upon request of the Committee, the Department of Health,  
15           the State Toxicologist, the Agency of Natural Resources, the Agency of  
16           Transportation, the University of Vermont Extension Service, or the  
17           Department of Forests, Parks and Recreation shall provide technical or  
18           professional services related to performance of the powers and duties of the  
19           Committee. The Committee may request input or assistance from other  
20           stakeholders or organizations that have an interest in pollinator health or the  
21           use and regulation of pesticides in the State.

1        (f) Report. On or before January 15, 2017, the Pollinator Protection  
2        Committee shall submit a written report to the House Committees on Fish,  
3        Wildlife and Water Resources and on Agriculture and Forest Products and the  
4        Senate Committees on Natural Resources and Energy and on Agriculture with  
5        its findings and any recommendations for legislative action.

6        (g) Meetings.

7            (1) The Secretary of Agriculture, Food and Markets shall call the first  
8        meeting of the Committee to occur on or before September 1, 2016.

9            (2) The Committee shall select a chair from among its members at the  
10        first meeting.

11           (3) A majority of the membership shall constitute a quorum.

12           (4) The Committee shall cease to exist on February 15, 2017.

13        (h) Reimbursement. Members of the Pollinator Protection Committee shall  
14        not be entitled to compensation or reimbursement of expenses for participation  
15        in the Committee.

16        Sec. 2. EFFECTIVE DATE

17           This act shall take effect on passage.
